

## **Provider Access Policy Statement**

This policy sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offers. This complies with the school's legal obligations under section 42B of the Education Act 1997.

## **Procedure**

A provider wishing to request access should contact Anthony Lord, Deputy Headteacher.

A number of events, integrated into the school Careers Programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

The annual Careers Convention in November gives all providers a platform for this. Please get in touch with the Deputy Head named above if you have not received a formal invitation to this event and you would like to attend.
