GCSE SUMMER SERIES 2023 TIMETABLE

Contingency days

The awarding bodies have designated the **afternoon** sessions of **Thursday 8 June 2023** and **Thursday 15 June 2023** and the **morning and afternoon sessions of Wednesday 28 June 2023** as a 'contingency sessions' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland - <https://www.gov.uk/government/publications/exam-systemcontingency-plan-england-wales-and-northern-ireland>

The designation of a 'contingency day' within this examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.

Candidates must remain available until Wednesday 28 June 2023 should an awarding body need to invoke its contingency plan.
