

SAINT AIDAN'S

Church of England High School

4th June 2026

Dear Parent/Carer,

As you may be aware students in school have been using laptops both in and out of lessons. All students are expected to have a Windows based laptop device to support their learning. We **do not** recommend a 'full-sized' laptop as these are typically much bulkier and more likely to be damaged during the school day.

The device which is recommended by school and can be purchased via our scheme:

ASUS BR12FT - £340.00 inc. VAT

12.2" HD Touchscreen - Intel N Series CPU - 8 GB RAM – 128GB Storage

These devices will be available to be purchased through school at the start of term in September. Further details can be found on the relevant ParentPay service. Payment in full by Friday 18th September or a £150 deposit by this date followed by further payments to pay off the balance by Friday 26th February 2027.

Please be advised that students are required to sign into their devices during setup with their school provided email account. The devices will be managed centrally using software called Classroom Cloud, which will report activity during the device while it is used at school.

If you require any additional information regarding the scheme including how the school might be able to support families in financial difficulties then please feel free to contact me at simon-calvert@st-aidans.lancs.sch.uk. Should you have any technical questions, please contact Tom Entwisle at tom-entwisle@st-aidans.lancs.sch.uk.
