

Post-Results Services – Information for Candidates

If Saint Aidan's submits a post-results service request for one of your examination papers after your results have been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

How to apply

To request a post-results service, you must complete the [online consent form](#). This confirms that you understand the possible outcomes of a clerical re-check or review of marking, including that your mark and grade could go down, stay the same or increase. **Please ensure all sections of the form are completed. Incomplete forms cannot be processed.**

Teacher recommendation/funding

If your subject teacher recommends a review of marking, Saint Aidan's will meet the cost of the review once your completed online consent form has been received.

If you believe you are only one or two marks away from the next grade boundary, please contact the Exams Officer, Felicity Price, at felicity-price@st-aidans.lancs.sch.uk. The Exams Officer will discuss your request with the relevant Head of Department or subject teacher. If the review is supported, Saint Aidan's may also agree to fund the review.

If you wish to request a review without the support of your subject teacher, the fees shown below will apply. Requests will only be submitted once payment has been received.
