

SAINT AIDAN'S

Church of England High School

Aspire & Believe & Succeed

TEACHER OF MATHEMATICS MPR/UPR (Temporary Maternity Cover) Required for 1st January 2027

Dear Candidate,

Thank you for your interest in working at Saint Aidan's.

We are looking for a committed and enthusiastic Maths teacher to join a highly capable, experienced and successful team in our Mathematics Faculty. Maths is thriving at Saint Aidan's, with high standards in GCSE Maths, strong transition to Maths Post 16 and a positive attitude to Maths among our students. Our Maths team work closely together as an effective team and you can be confident that you are joining a school and a department where the ambitions and achievements of staff and students are high. This post is temporary, to cover a maternity leave.

I hope that, having read the enclosed information and looked at the information about the school on our website, you feel encouraged to apply.

Please complete the application form and include a supporting letter (no more than two sides of A4 please) which tells us how your skills and experience have prepared you for the challenges of this post, as well as giving us a flavour of your vision for teaching Mathematics at Saint Aidan's. Please note that the first part of Section 7 of the Application Form asks for details of a faith referee. A faith commitment is not essential for this post so you should omit this section if you are unable to provide such details.

Completed application forms and supporting letters should be returned to arrive no later than 12 noon on Wednesday 7th October 2026.

Applications may be submitted by post or by email. Emailed applications should be sent to recruitment@st-aidans.lancs.sch.uk and will be acknowledged on receipt.

I look forward to receiving your application.

Yours sincerely,

Katie Benter, Headteacher

**Katie Benter,
Headteacher**
