Contingency days

The awarding bodies have designated **Wednesday 23rd June 2027** as a ‘contingency day’ for examinations. This is consistent with the qualification regulators’ document Exam system contingency plan: England, Wales and Northern Ireland – <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of a ‘contingency day’ within this examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies’ standard contingency planning for examinations.

Candidates must remain available until Wednesday 23rd June 2027 should an awarding body need to invoke its contingency plan.
